# CLEANING POLISHING PROTECTING

## CLEANING

### MARINE BOAT WASH - FOAMLESS SHAMPOO, 1000 ml / 5 l

Cleaning concentrate for all soiled surfaces on a boat.

Contents	PU	Art.-No.
Bottle, 1000 ml	6	11 015502
Canister, 5l	3	11 015503

### MARINE BOAT RUBBING CLEANER, 500 ml

Removes surface rust, overspray and stubborn soiling from gelcoat and paintwork. Fine scratches and scrapes are removed giving the surface a bright new shine.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 015310

### MARINE INFLATABLE BOAT & FENDER CLEANER, 500 ml

Extremely strong cleaner for removal of all kinds of contamination and adhesion from inflatable boats and fenders. Slight dissolving of the surface, leaves the dirt no chance to adhere. Optimal processing time due to slow-drying formulation.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 015610

### MARINE WATERLINE CLEANER, 500 ml

Very effective cleaning agent for discoloured boat surfaces and for covered parts with algae at or below the waterline.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 015710

## NEW

### MARINE BLACK STREAK REMOVER, 500 ml

Powerful cleaner for the removal of black streaks on boats, yachts and ships. Also suitable for the removal of oil, grease, diesel and environmental pollution on gelcoat, plastic, metal, glass and laquered surfaces.

Contents	PU	Art.-No.
Spray bottle, 500 ml	6	11 050400

### MARINE BIRD & SPIDER STAIN REMOVER, 500 ml

Quickly and reliably tackles aggressive bird and insect excrement on all glass, gelcoat, metal and plastic parts of your boat.

Contents	PU	Art.-No.
Spray bottle, 500 ml	6	11 053900

### MARINE WOOD & TEAK CLEANER, 500 ml

For the thorough cleaning of soiled and / or grayed wood surfaces on boats or in outdoor areas. Low-odour, good penetration and therefore good cleaning properties.

Contents	PU	Art.-No.
Spray bottle, 500 ml	12	11 053600

### MARINE STAINLESS STEEL POWER CLEANER, 500 ml

Ideal for surfaces made of stainless steel, anodised metal surfaces, light metal alloys and non-ferrous metals on boats. Vigorously removes dirt as well as oily and greasy residues.

Contents	PU	Art.-No.
Spray bottle, 500 ml	12	11 051700

# HEAVY DUTY CLEANING

## HEAVY-DUTY BILGE CLEANER, 1000 ml

Extremely powerful, alkaline cleaning concentrate. Especially for the removal of stubborn contaminations like fat, oil, grease, diesel, etc. Suitable on all alkali resistant surfaces.

Contents	PU	Art.-No.
Bottle, 1000 ml	12	11 054102

**NEW**

## MARINE RUST EX, 500 ml

Designed to remove heavy corrosion and staining from most metals, restoring the shine and extending the life of your metal surface. Corrosion inhibitors prevent attack on non-corroded parts. Economical and easy to use. Ideal for treating large areas of iron, bronze, copper, steel etc.

Contents	PU	Art.-No.
Bottle, 500 ml	12	11 054251

# HIGH PERFORMANCE

## HIGH PERFORMANCE - MARINE COMPOUND, 1000 ml

- Leaves no scratches / swirl marks
- Dust-free
- Fast-working
- Silicone-free

Removes heavy polishing stains and abrasive marks, oxidations, stubborn stains from weather, water pollution or sun damage to all fiberglass, gelcoat and painted surfaces.

Contents	PU	Art.-No.
Bottle, 1000 ml	6	11 053100

# POLISHING

SUITABLE FOR  
**+ GELCOAT & FIBREGLASS**

FORMERLY KNOWN AS MARINE SHINE

## MARINE METAL POLISH, 75 ml / 750 ml

Highly abrasive cleaning, polishing and rubbing agent for weathered boat surfaces. It cleans and removes rust from all bright metal parts on the boats hardware and fiberglass surfaces. It is delaying tarnishing and corrosion.

Contents	PU	Art.-No.
Tube, 75 ml	24	01 001190
Can, 750 ml	6	01 001191

## HIGH PERFORMANCE - MARINE SUPER GLOSS POLISH, 1000 ml

- Leaves the highest level of gloss
- Dust-free
- Fast-working
- Silicone-free

Gives the surface the highest possible smoothness, gloss and finish. Tailor-made to easily remove polishing roses and holograms left after polishing with more powerful polish or from various environmental impacts.

Contents	PU	Art.-No.
Bottle, 1000 ml	6	11 53100

## MARINE METAL POLISH LIQUID, 250 ml

Cleans, restores and polishes all metals to a brilliant finish. As it cleans it also protects against future rust and tarnishing. Highly concentrated liquid is easy to apply especially on larger surfaces.

Contents	PU	Art.-No.
Bottle, 250 ml	12	11 051210

## POLISH & PROTECTION

## MARINE COMBI POLISH, 500 ml

Restores weathered, matt coloured and metallic finish paints to a glossy finish, removes the finest scratches and seals the surface with weatherresistant polymer waxes. Also suitable for painted plastic parts and gelcoat surfaces.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 015210

## HIGH PERFORMANCE - MARINE PROTECTION COATING, 1000 ml

- Boosts and protects gloss
- Repels water
- Reduces algae
- UV protection

Specially designed for sealing and protection for all painted, fiberglass and gelcoated surfaces.

Contents	PU	Art.-No.
Bottle, 1000 ml	6	11 053200

# PROTECTING

## MARINE NANO PROTECTION HARD WAX, 500 ml

Protects the paint with high-performance nano components and modern polymers. Gives a brilliant deep gloss and extremely long-lasting protection to the paint from adverse weather conditions.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 053710

## MARINE BOAT WAX, 500 ml

Low viscosity hard wax without any abrasive. Leaves a weather-resistant, high gloss film providing protection against wear and ultra-violet radiation.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 015010

## HIGH PERFORMANCE - MARINE GLASS POLISH, 500 ml

Specially designed for marine glass surfaces. The cream-like polish provides the best possible cleaning to remove even persistent stains of salt water residue and many other stains and residues from environmental impact.

Contents	PU	Art.-No.
Bottle, 500 ml	6	11 053300

CERAMIC SERIES

CERAMIC COATING  
MARINE

## ULTIMATE GELCOAT PROTECTION

### FOR ALL MARINE VESSELS

#### CERAMIC SERIES - CERAMIC COATING MARINE, 300 ml

- Long-term glass-like professional sealant for all marine vessels
- Suitable for gelcoat, composites, painted and non-painted surfaces
- Super hydrophobic surface / extreme water beading effect
- Deeper colour and shine on glossy surfaces
- Resistant to UV, oxidation and weathering
- Optimised surface smoothness and feel
- Improved scratch resistance
- Easy-to-clean effect
- Outstanding durability

## MARINE METAL POLISH + PROTECTION SET

### FOR ALL METAL PARTS ON YOUR BOAT

#### AUTOSOL® CERAMIC SERIES - CERAMIC COATING MARINE FOR METALS

- Long-term sealant for metal parts
- Easy to apply and easy to polish
- Super hydrophobic surface / extreme water beading effect
- Best invisible corrosion protection
- UV resistant and weather resistant
- Optimised surface smoothness and feel
- Improved scratch resistance
- Easy-to-clean effect
- Long lasting, perfect result

#### AUTOSOL® MARINE METAL POLISH

Highly abrasive cleaning, polishing and rubbing agent for weathered boat surfaces. It cleans and removes rust from all bright metal parts on the boats hardware and fibreglass surfaces. It is delaying tarnishing and corrosion.

#### SET CONTENTS:

- 1 x AUTOSOL® CERAMIC COATING MARINE FOR METALS, 30 ml
- 1 x AUTOSOL® MARINE METAL POLISH, 75 ml
- 1 x AUTOSOL® MICROFIBRE CLOTH
- 1 x AUTOSOL® CERAMIC COATING APPLICATION SPONGE
- 1 x AUTOSOL® PROTECTION GLOVES
